DRAWINGS SONGS & SILLINESS

- ★ Madcap Music and Movement
- ★ Supersized Sketches
- ★ Playful Puppets and Props
- ★ Lots of Laughs!

HIS clever wordplay, spirited music and wacky humor make **MR. DAVID C. PERRY** popular with audiences of all ages and a big hit with young kids. During his comically creative **Drawings, Songs & Silliness** performances, he mixes music and art with a healthy helping of laughs, featuring upbeat sing-alongs, supersized pictures (some drawn on the spot) plus playful puppets and props.

Because of his show's lively variety, kid-friendly comedy and engaging interactivity, children stay gleefully engaged from start to finish – whether supplying suggestions for Old MacDonald's Farm, coloring a Zoo elephant's toenails, roaring loudly through a Baby Bear mask at Goldilocks, or jumping for joy with Five Little Monkeys Jumping on the Bed.
